ABOUT ME

A highly motivated and passionate fresher with a strong foundation in web development technologies, including HTML, CSS, JavaScript, and React. Eager to contribute to innovative projects and grow as a professional in a dynamic work environment. Possesses a keen eye for detail, a problem-solving mindset, and a commitment to delivering high-quality, user-friendly web solutions. Enthusiastic about learning new technologies and collaborating with teams to create impactful digital experiences.

    * Proficient in HTML, CSS, JavaScript, and React

EDUCATION

HIGHER SECONDARY   2018-2020
M.ct.rm.Higher secondary school,Kulipirai

MAHATH AMMA INSTITUTE OF ENGINEERING AND TECHNOLOGY,PUDUKKOTTAI(TN)   2020-2024
Bachelor of Engineering
Computer Science and Engineering.

SKILL

- HTML/CSS
- Iot
- JavaScript
- Communication
- React
- MS Office

PROJECTS

To-Do- List App - (https://github.com/SanthoshGit23/To-Do-List-App)

Created a To-Do List application using HTML, CSS, and JavaScript, allowing users to add, edit, delete, and complete tasks. Implemented local storage for task persistence and designed a responsive interface for seamless use on all devices. Focused on clean code and user-friendly design for an intuitive experience

Tic Tac Toe Game - (https://github.com/SanthoshGit23/TicTacToe)

Developed an interactive, web-based Tic Tac Toe game using React.js to enhance front-end skills and user experience. Implemented the game logic using React's state management to track moves, win conditions, and player turns. Designed the user interface with functional components and utilized hooks (useState, useEffect) for efficient re-rendering and state updates. Incorporated CSS for clean, responsive design and utilized conditional rendering to display game results. Optimized code structure for maintainability and scalability, ensuring smooth functionality across various devices.

Mini e-commerce - (https://github.com/SanthoshGit23/mini-e-commerce)

·As a passionate Front-End Developer with a focus on e-commerce, I specialize in crafting user-friendly, responsive websites that drive conversions and enhance customer experiences. With strong proficiency in HTML5, CSS3, and JavaScript , I am well-versed in designing seamless, intuitive interfaces that look great on any device.
